

1990

A photograph of a diamond-shaped evidence tag, likely made of plastic or metal, oriented diagonally. The tag has several markings: the number '96' is handwritten in the center; 'ACCESS POINT' is printed in a bold, sans-serif font at the bottom; and 'APR 1982' is printed in a smaller font at the top. There are also some faint, illegible markings and a small circular hole near the bottom left corner. The tag is placed on a surface with some other markings, including 'APR 1982' and 'ACCESS POINT' visible in the background.
