

The map displays a complex arrangement of buildings and their surrounding terrain. Key features include:

- Buildings and Structures:** Labeled areas include "Releu GSM", "Magazin", "Corp C3", "Clădire psihiatrie II", "PTCZ 671", "B PT 56", "Corp C1", "Corp C2", "Corp C4", and "Corp C5".
- Elevation Points:** Numerous numerical values are scattered across the map, representing ground elevations at specific locations.
- Boundaries and Paths:** Solid blue lines delineate property boundaries, while dashed blue lines indicate paths or internal divisions within the site.
- Orientation and Scale:** A compass rose is located in the upper right quadrant, pointing North. A scale bar is present in the bottom left corner.
- Administrative Markings:** A prominent red circular stamp from ANIG (National Agency for Cadastral Information) is visible in the lower right, along with a date stamp "07.08.2019".
